HOW DO I LOG IN?

Hi Alice,

Your Appointment on Monday, September 30th at 11:15 AM (PDT) with Will Morales has been confirmed.

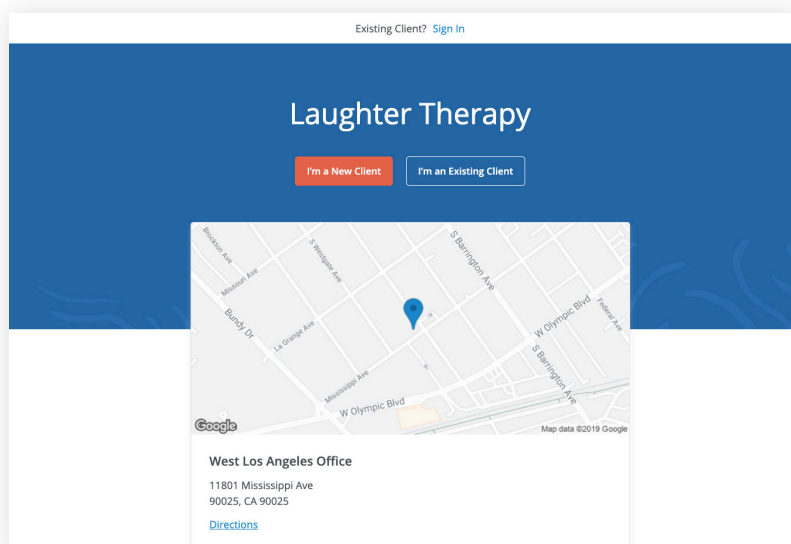

Before we meet, I would like you to review my practice documents and provide some information about yourself. This will help us get started.

TROUBLESHOOTING

1. Check your **spam folder** and any other folders in your inbox for an email from the address no-reply@simplepractice.com. It also helps to add this address to your address book to make delivery easier.
2. If your clinician re-sends you an invitation, be sure to use the latest **4-digit passcode** to log in. Some email providers will collapse the emails into the same thread. Be sure to select the email that you received most recently. If you're not sure what your current 4-digit passcode is, your clinician can provide that info for you.
3. Be mindful of any **auto-fillers** enabled in your browser that might be entering information for you. If the auto-filler replaces the information you type, this will cause it to appear as inaccurate.
4. Double-check your **spelling**. Your login credential for access will be your exact email address—the same one where the invitation is delivered, so all spelling must be exact.
5. The same email can't be used for more than one portal account for the same clinician.

Tip: you only use the 4-digit passcode once. For each subsequent login, you'll use the new (8 or more digit) password that you created.

6. You can recover your password by clicking **"Forgot your password?"** below the Log in button. You'll be asked to enter your email address, and then you'll receive a password recovery email. Be sure to use the same email address that you normally use to log into your Client Portal, and check your spam

ONLINE BOOKING

Online Booking lets you **request, cancel, or reschedule appointments** with your clinician. After submitting your request, you'll get a **confirmation email** once your clinician approves the appointment. If they are not able to see you at that time, they will send you a different email, which will let you request another time.

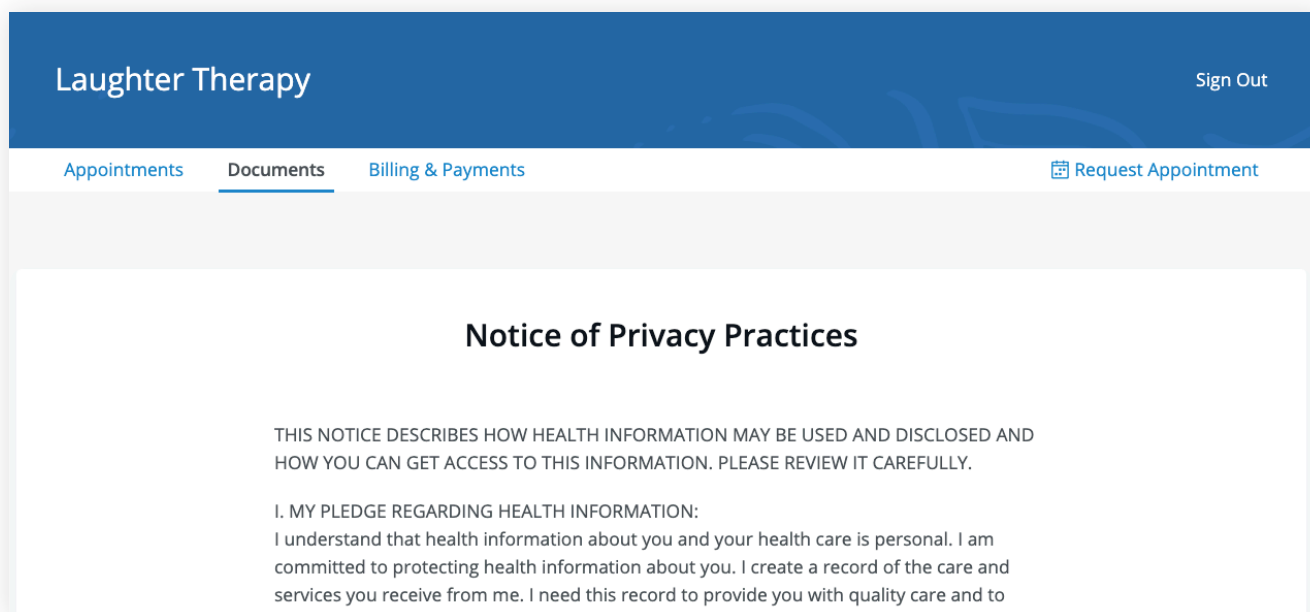

The following steps will show you how to request appointments.

1. Go to your clinician's Client Portal and click Existing Client to log in. (The New Client button is only for clients who have never logged into the Client Portal before).
2. Navigate to the appointments tab. (This may already be selected by default after you log in).

DOCUMENTS AND FORMS

The first time you log into the Client Portal, you'll see a welcome message from your clinician. After you click **Get Started**, you'll start filling out forms from your clinician.

Some documents can be signed by clicking the **checkbox** at the end of the bottom of the page. Then, click **Continue** to move to the next document.

TELEPHONE ACCESSIBILITY

If you need to contact me between sessions, please leave a message on my voice mail. I am often not immediately available; however, I will attempt to return your call within 24 hours. Please note that Face- to-face sessions are highly preferable to phone sessions. However, in the event that you are out of town, sick or need additional support, phone sessions are available. If a true emergency situation arises, please call 911 or any local emergency room.

SOCIAL MEDIA AND TELECOMMUNICATION

Due to the importance of your confidentiality and the importance of minimizing dual relationships, I do not accept friend or contact requests from current or former clients on any social networking site (Facebook, LinkedIn, etc). I believe that adding clients as friends
